Independent Investigation

The independent investigation commissioned by the Trust Board has now concluded and appropriate action is being taken which cannot be discussed for reasons of confidentiality.

Working with key authorities, including the Department for Education, the Trust Board has acted robustly and with integrity in dealing with the allegations made.

Alongside the additional leadership capacity we have brought in, the Trust Board is working hard to ensure that the academy continues to operate in ways which supports the learning, achievement and well-being of all our students.
