

28th February 2018

Dear Parents/Carers

Academy update following adverse weather conditions

Wednesday 28th February 2018

I am writing to let you know that due to the adverse weather conditions and prolonged travelling times, we plan to dismiss students **from 2.30pm this afternoon**. It is important for students to access public transport as early as possible.

We will also send you a text message regarding today's early closure. If you would like your child to remain at the academy until 3.30pm this afternoon, please respond 'Yes' to the text message stating your child's name and tutor group in your reply. Alternatively, please call the academy on 020 7920 7900.

Thursday 1st March 2018

On Thursday 1st March 2018 and in view of the weather forecasts, we are anticipating transport disruptions, staff shortages and icy playground conditions, as was the case this morning. However, the forecasts are variable and we are unsure at this stage how the academy site will be affected tomorrow. Therefore, it's important that you check text messages, the school website and our Twitter account for updates.

Friday 2nd March 2018

We will update you again tomorrow with regards to Friday 2nd March 2018. The present weather conditions are set to continue, so there is likely to be further disruption. Please continue to regularly check for updates.

In the meantime, please stay safe and warm.

Yours sincerely

Dr. V. Ogden
