**Student wellbeing**

Please support the academy by ensuring your child carries a water bottle at all times, particularly during this hot weather. This encourages your child to drink adequate amounts of water throughout the day, which can support their learning.

If you have any questions or concerns please contact the academy on 020 7920 7900.

In the meantime, do regularly check the academy website and our social media channels. It provides you with a fabulous roundup of student life at the academy and showcases the wonderful activities and enrichment opportunities on offer.

Yours sincerely

Ms J Montgomerie  
Acting Head of School
