

Executive Principal: Mrs Ruth Holden, MA, NPQH

5th September 2018

Dear Parent/Carer

I am writing to you to introduce myself as the new Executive Principal of your child's school; Mulberry Academy Shoreditch.

Although I have many years of experience as a Headteacher and Executive Headteacher, I present myself to you humbly and with a promise to make your child's day at school, experience at school and achievement, the very best it can be.

My job is to ensure that the school provides a warm and loving environment where your child can be safe, feel safe, and have a first class education. I will work towards this aim every day as will the staff at the school.

Equally, I will require you as the person in charge of your child to work with the school to achieve the very best we can. I will have an expectation of you as a Parent/Carer to attend all events where your child is a focus; Parents' Evenings, events, one to one meetings or small group intervention.

There will be some changes at school I will bring in, but they will be in addition to the brilliant work going on at the school, and they will be to enhance the experience that your child has. Please look at the School's website for information about what is going on and can I also at this point remind you all of the fantastic Sixth Form we have at the school which we strongly expect your child to attend following their success at GCSE. To those of you who are already Parent/Carers of our Sixth Form students, good luck for those important years.

I would also like to thank you for all that you have done so far as a Parent/Carer which I believe is the hardest and most challenging job of all.

I look forward to working with you and will communicate with you regularly. I also hope to see you all at the upcoming Parent Forum, please see leaflet attached.

Yours faithfully

Mrs Ruth Holden
Executive Principal
