

An amazing week at the school this week with lots of exciting things going on.

Year 11 Parents' Evening was a great success on Tuesday evening, with a fantastic turn out. Sixth Form students helped me meet and greet parents and Year 11 students and had an introduction to our Sixth Form on their way to meet teachers. There was a real buzz in the air with Year 11 students and parents saying how brilliant our Sixth Form students are and what a great place it is.

Women of the Future Summit at The Hilton in Park Lane – Well done to Year 10 girls: Tina Yirga, Ammera Adefila, Siham Mohamed who were chosen to go and represented Mulberry Academy Shoreditch brilliantly. Thank you also to Ms Scales and Ms James for attending the conference.

Virginia Primary School cooking – It was lovely to see Kate Gooding, the Headteacher of Virginia Primary School and her lovely Year 5 students, cooking chicken noodle stir fry on Monday 12th November.

The students were having a great time and enjoyed cooking a healthy meal. Thank you to Ms Howe, our fantastic Hospitality teacher for leading on this.

Sports Trip for Years 7, 8, 9 and 10 students who have been going each day to the O2 to see famous tennis players taking part in competitive matches - well done to Mr McCabe for organising all of this and for getting the tickets.

Jack Petchey Speak out Challenge with Year 10 students has been taking place this week in the English department – it is a fantastic event where students developed their oracy and public speaking skills.

Thanks to Ms Taylor for leading on the Year 9 'Into University Workshop' which took place on Monday – another great event where students learned about Higher Education and Universities.

Notices:

1. Sixth Form Open Evening on Tuesday 20th November - all parents and students are welcome, although Year 10 and 11 parents and students will be the most interested at this stage.
2. The weather is getting colder now – please ensure your child has a suitable coat in line with our school uniform policy.
3. Can I remind all parents and female students that knee high black socks are no longer allowed.

Mrs Holden – Executive Principal

Women of the Future Summit

Three Year 10 students were given an opportunity to take part in the Women of the Future Summit.

The purpose of this event was to connect, inspire and support the next generation of female leaders.

The students got the opportunity to listen to and engage in discussions from key speakers such as Pinky Lilani CBE DL, Founder of Women of the Future Programme and Melanie Richards, Deputy Chair of KPMG UK.

They also had the opportunity to network with over 300 women delegates from both top national and international businesses

The students found this to be an eye opening experience to see the challenges and equality women face in leadership. They felt inspired and hope to become women of leadership in the future.

Ms Scales/Ms James

Sixth Form

We are ready for our Sixth Form Open Evening – are you coming to see us?

It was really good to meet lots of Year 11 parents on Tuesday and talk to them about the Sixth Form and all the subjects and opportunities we have on offer.

On Tuesday 20th November 2018, we are hosting our Sixth Form Open Evening. This is a really important event for students and parents to come along and see what our Sixth Form has to offer.

We are offering lots of new subjects next year and teachers will be on hand to tell you more about them.

Here is a reminder of what we are offering:

A Levels in Art, Biology, Chemistry, Computer Science, Drama, Economics, English Literature, Film Studies, Geography, History, Mathematics, Media Studies, Photography, Physics, Politics, Psychology, Sociology and BTECs in ICT and Business.

We also have representatives from the **London School of Economics** and **Queen Mary University** to help students plan ahead and link their Sixth Form subject choices to the degrees they want to do.

To promote the extensive enrichment programme we have in the Sixth Form, there will be people from **Duke of Edinburgh** and **NCS (National Citizen Service)** to tell you about the opportunities you will have when you join us.

Please do come along and see us. All parents/carers and students are welcome, whatever year group you are in.

In other news, four of Year 13 History students visited York on Saturday to see the University and take a tour of this beautiful city. Two of them have applied to study there so it was a great opportunity to visit. They left feeling determined to get the grades so they can secure a place!

Ms Frankum

Jack Petchey Workshop

Students took part in a day of public speaking workshops led by an external provider from the Jack Petchey foundation on Wednesday 14th November 2018.

This is an excellent opportunity for them to work on their speaking and listening skills which are essential skills needed for University applications, job interviews and more.

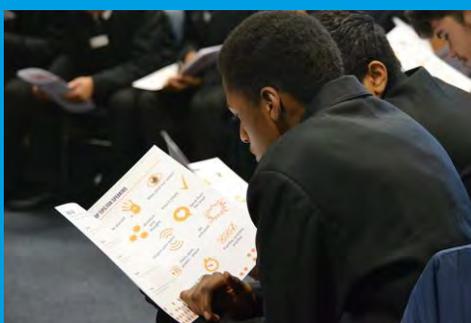

The following students were all finalists for the next stage:

- Jay Ramadan
- Hana Abdi
- Carlotta Joffe
- Maisha Uddin

These students will move through to the next stage of the competition where they will present a speech within school. The winner of this round will then progress to the regional finals.

Congratulations are in order for them.

Ms Herlihy

PSHE Day

Pictures of some of the activities that took place on Thursday 15th November 2018 as part of the PSHE day are below.

Ms Miller

History Sixth Form trip to York

On Saturday 10th November 2018, a group of Year 13 History students travelled to York from Kings Cross train station to visit the University of York and York St John University.

Students toured the campus and were given a tour of the city, which they thoroughly enjoyed.

They were also treated to a trip to the Medieval Shambles and visited the Richard III and Henry VII experiences as well as the Viking Jorvik Centre.

The students rounded off the day with a walk along York's Medieval castle walls before heading back to the train station.

A thoroughly informative and enjoyable day!

Ms Davis

French Workshop

On Tuesday 13th November, twelve of our Year 8 and Year 9 French students participated in a French Improvisation Workshop with the organisation Art Fabric, a French speaking theatre company based in London.

They tasted French food including the famous crêpes with Nutella, brie and croissants.

Our students were fantastic, speaking in French for a full hour with a native speaker, creating improvisation pieces and some group pieces in French describing Bethnal Green and their local area.

Du très bon effort!

Ms Holdcroft

Feedback from the Extended Learning Events Co-ordinator

19 of our Community Leaders attended their first after school session on Wednesday 7th November and were all really enthusiastic about starting their new roles in school. Here's what they got up to.

They helped Ms Davis with her fabulous poppy display for Remembrance Week.

This week, students have been involved in anti-bullying week activities. Our school community have been writing positive messages on 'Make someone's day' postcards to staff or students of their choice and posting them in our school post box.

All postcards will be hand delivered on Friday 16th November.

Amal Mohamed, 9NHu has always been an avid reader and loved books for as long as she can remember. Amal is leading on running her own book club every Friday so she can get other students to find a love of reading too. We are very proud of Amal and look forward to seeing her book club grow over the coming weeks.

Amal says "We are beginning to read 'Once' a novel by Morris Gleitzman which is set in World War II and about the persecution of Jews. I really enjoy reading this book because I believe *'Those who cannot remember the past are condemned to repeat it.'*" George Santayana, a quote from a famous philosopher, essayist, poet and novelist.

Maksymilian Biskup, 9KHo found out this week that he was successful with his application to be a part of the

Barbican's Youth Panel. Maks will be the youngest of 15 young people who will make up the panel.

Members of the Barbican Youth Panel meet once a month for a year to share their views on the arts programming and ethos of the organisation and will be working with departments ranging from Music and Theatre, to Marketing and Human Resources.

Throughout this year, Maks will be gaining experience of teamwork, project management and leadership.

We are so delighted that Maks has been successful and look forward to hearing about all his work.

Ms J Taylor

Creative Cook School Week Two Update!

The group were all fantastic and worked super hard! Anil was 'Star of the week' for being fantastic in the kitchen. He really owned the task of clearing up, which served the whole team.

Abida was extremely hard working and worked really well with Laila in engaging with some of the elderly on certain tasks like taking orders etc.

Shakell also worked really well in the kitchen. She made the white sauce by herself for the entire meal which was very impressive!

Ms Taylor

Ernst & Young Sixth Form Visit

On Wednesday 14th November, Ernst & Young visitors met with Year 12 students in the Sixth Form Centre.

Sixth Form students are very fortunate to be given the privilege to be part of a pilot scheme with Ernst & Young. We are one of the four schools selected in London. They are piloting a two week term-time London Smart Futures programme in June 2019 with up to 30 Year 12 students.

Representatives from

Ernst & Young delivered a presentation to our Year 12 students on the application process and gave students tips and secrets on the telephone interview process.

Ms Gumus

Sports Updates!!!

Football

The Mulberry Academy Shoreditch team played against Raines School on Friday 2nd November 2018.

Team A beat Raines team at 1-0. B team did equally well and beat Raines at 1-0.

Both matches were played extremely well by our students. The confidence in the students is growing with each match and this can be seen when they are playing against other schools.

Netball

Mulberry Academy Shoreditch played their first ever netball match on Tuesday 6th November 2018. They played away at Sir John Cass School and won the game 17-9 in a comprehensive victory. The whole team were fantastic with Mia and Taya as our stand out performers.

Student Voice

Photo montage Vanitas KS5 exam piece: An array of photos were taken and then manipulated in Photoshop. The images were then cut out and pinned together in response to the Vanitas paintings of the 17th century.

Remembrance Week

From the 5th to the 9th November, students joined the nation in commemorating and remembering the end of World War I in 1918.

Students helped to create a waterfall of poppies to mimic the wave of poppies that featured at the Tower of London and then on to the Imperial War Museum North in Manchester.

Students from all year groups supported this fantastic work and on Friday 9th November, the whole school observed a two minute silence to commemorate the end of the first war, the loss of life during that conflict and the loss of 67 million lives to war since.

Ms Davis

The Year 8 team lost a fantastic contest against Langdon park 5-4 in an extremely close game where the boys played some superb football. The teams have come such a long way in such a little space of time. We are very proud of them.
