

A really fantastic week at the school as we finish for the Easter holidays.

Challenge Partners Visit

On Tuesday, we had some Headteachers visiting from other schools who had come to have a tour of the school through our partnership with Challenge Partners. They were very impressed by our young people and by our staff and facilities, and all that is going on at the school.

Drama

Well done to Ms Higdon and to our Year 11 and 13 Drama students who had their GCSE Drama practical exam this week. Feedback is that everyone performed really well. We look forward to some great results!

Duke of Edinburgh

Well done to Mr Collis, Ms Taylor, Mr Coffey and Ms Milton who took 35 Year 9 students on their Duke of Edinburgh rehearsal walking and camping trip at the weekend. They were so lucky to have beautiful sunshine and warm weather and had a great and safe time.

Mock Exam Results Day

Year 11 and Year 13 had their Mock Exam Results Day this week. Students opened envelopes with their Mock Results in as though they were the real results, but with the safety net of a few more months to go to really improve certain areas or subjects. This all comes down to hard work and revision and dedicated time to improving their grades.

I would like to wish staff, students and parents a fantastic Easter break and a safe one. Easter School is running for Year 11 and 13 in the first week of the holiday and for our new Year 6 students on Thursday and Friday of the first week.

HAPPY EASTER

Thank you, Mrs Holden – Executive Principal

Sixth Form

Mulberry Schools Trust Youth Conference

Last Thursday, I had the privilege of escorting a group of our Year 12 students to the Mulberry Schools Trust Youth Conference. This year the theme was 'Unite against Hate' and we were joined by about 15 other schools. Students were able to contribute in a panel discussion and listen to insightful comments from speakers with numerous experiences as well as participate and meet other students to discuss the main themes of the day.

In addition, a group of our students devised and led a workshop on 'Guidelines for Dialogue - How To Live Well With Difference'. The intention of the workshop was to equip students with the tools to be confident in their beliefs and identity, embrace diversity. They did us proud and certainly enjoyed the experience of contributing to the overall theme of the conference. We are already looking forward to the next one.

Ms Frankum

Safety Online

The internet is a wonderful resource but it's crucial that it is used properly. Young people need guidance and support on how to use the internet safely. MAS equips students with knowledge of e safety through curriculum time in both Computer Science lessons and personal, health, social, emotional and economic education sessions. Assemblies are delivered to students focusing on e safety and our Safer Schools Police Officer is always available to support students and parents and carers with regards to e safety education.

There are some very useful resources on line that can support you and your child in using the internet safely. If you have any concerns and require support regarding any of our students, please contact info@mulberryacademyshoreditch.org or childprotection@mulberryacademyshoreditch.org. Alternatively, you can report any online concerns to CEOP (Child Exploitation and Online Protection Centre). There are also some really useful links pictured above.

Ms Healy

Duke of Edinburgh

33 Year 9 students took part in their bronze practice expedition on Friday 29th and Saturday 30th March. Students walked over 6 miles with all their kits, pitched up tents and camped for the night in Cheshunt. Students did really well, please congratulate them if you see them.

Ms Taylor

BBC Songs of Praise

I was very lucky to be selected by my old music composer (from Olympic 2012 choir) to be part of a BBC programme: Songs of Praise.

The opportunity involved filming footage around different parts of Jerusalem and the surrounding areas.

This experience has been incredible for me and who would have thought that this big opportunity was the result of me joining my school choir as a student. You should take every opportunity you can in and outside of school. You never know what doors may open!

Ms Moreno

Attendance Figures

for 25th March 2019 – 29th March 2019

Tutor Group	Attendance Percentage
7ABr	98.40%
7ARo	90.90%

Book Review

Dork Diaries Birthday Drama by Rachel
Renee Russell

Nikki's birthday is coming up and she needs to have the best party to be popular in High School. But will McKenzie make it a nightmare? I chose it because it's the newest book in the Dork Diaries series and it's full of drama. This book makes me feel happy because the book is interesting and funny and full of drama. I would recommend this book to anyone who reads books for the fun of it.

Ericka Kasongo - Year 7

ROYAL DRAWING SCHOOL

Royal Drawing School

We would like to congratulate Cassi Latham and Khadija Begum for a successful application to study at the Royal drawing School foundation year. They look at hundreds of portfolios for 50 places. Now in its seventh year, the Royal Drawing School's foundation course, The Foundation Year, is one of the most prestigious in the UK. This pivotal year in a young creative's education paves the way to a career in the creative industries.

Cassi Latham "Ms King has told me since Year 7 I was going to the Royal Drawing School and now being accepted here is a once in a life time experience. We submitted a portfolio for selection and were then invited for an interview."

Khadija Begum "I realised I wanted to study art when I painted a series of emotional portraits in Year 11. I was over whelmed when accepted, as the quality of the other applicants at the interview day was amazing."
