

The Prince's Trust Annual Mosaic Iftar 2019

On Monday 20th May, we were absolutely honoured to host the prominent Prince's Trust Annual Mosaic Iftar 2019, one of the most spectacular and luxurious events I have had the pleasure of hosting. Iftar is one of the religious observances of Ramadan and is often done as a community, with Muslim people gathering to break their fast together. Mosaic was founded by HRH the Prince of Wales to connect young people from deprived Muslim communities to relatable role models to help increase their confidence and improve their chances of fulfilling their potential. The event brought together influential leaders from diverse backgrounds including senior government officials.

I was asked to officially open the evening, where I brought some context to the challenges we face being a stone's throw from some of the wealthiest parts of the Capital and I was proud to mention that we are one of the very few schools that run the three Prince's Trust education programmes at our school: the Mosaic Mentoring Project, Achieve and Enterprise Challenge. A lovely moment from last night was the meeting between Mr Ali, a teacher at the school for nearly 30 years and Sheikh Aliur Rahman, Chief Executive of the London Tea Exchange in Brick Lane. Sheikh Aliur is one of our alumnae and it was the first time he had returned to the school since leaving many years ago.

It was wonderful to have John Booth in attendance, the Chairman of the Prince's Trust. Mr Booth paid tribute to the many ambassadors and supporters of the charity, as well as mentioning how important the Mosaic programme is to HRH the Prince of Wales. Students Fares (Year 9), Mohammad and Freddie (Year 10) were great ambassadors for the school when they took to the stage and wowed the audience with a short presentation that eloquently communicated the transformational effects of Mosaic on their everyday lives. An exciting part of the evening was hearing from key UK influencers during the 'To See Is To Believe' interview panel led by students Ranya (Year 10) and Afis (Year 12). The panel included Asad Ahmad, BBC London News Presenter and Mosaic Ambassador, Sheikh Aliur Rahman, Dr Rimla Akthar MBE, FA Council Member and Dawood Gustave, CEO and Imagination Officer at Reluctantly Brave.

Our CEO, Dr Ogden, spoke passionately about the changing needs of young people in our communities and the work of the Mulberry Schools Trust that ensures all students receive the high-quality education they deserve. Shabir Randeree CBE, Chair of Mosaic and Trustee of The Prince's Trust gave a summary of Mosaic's ongoing work and future ambitions. The evening ended with Imam Mohammed Mahmoud OBE from the East London Mosque leading the call to prayer ahead of the meal. We all enjoyed the most delicious food cooked by Chef Martin and Aziz, the school's onsite caterers.

I made some excellent connections that will bring great benefits to our school and community.

Half Term and Revision Classes

There will be Year 11 & Year 13 revision classes during the half term holidays. A letter was sent to parents/carers detailing the subjects and days students are expected to attend.

I wish you all a peaceful half term break. School reopens on Monday 3rd June 2019 and I look forward to seeing all students on their return.

Thank you, Mrs Holden – Executive Principal

Sixth Form

Sixth Form Scholarships in September 2019

We are delighted to announce that from September there will be an opportunity for all Year 12 students to apply for a Scholarship package that will be worth over £450. There will be up to 10 scholarship awards for students with excellent attitude and attendance. This is a great opportunity to start Sixth Form life in the best way possible as well as celebrating our most motivated students.

Please come and see me if you require further information. Along with our new subjects and enrichment afternoon, Year 12 will be having their best year yet!

Ms Frankum

Outstanding achievement for all

Enhancing studies and motivating our students to achieve their best

COMING SOON
In September 2019

SIXTH FORM SCHOLARSHIPS

Have you applied to study with us in September?

Are you joining us in Year 12?

Do you have **impeccable attendance** and a **conscientious attitude** towards your study?

Would you like to be considered for a scholarship package worth over **£450?**

The Mulberry Schools Trust is delighted to be able to offer up to 10 scholarship awards to Year 12 students in each school from September 2019

WHAT'S ON OFFER?
£300 PLUS a year's membership of the Daunt books subscription

RUNNER-UP AWARDS
Daunt membership or netbook of equivalent value

To find out more, please contact Ms Frankum or Ms Wallace

Medication at Mulberry Academy Shoreditch

In all cases where medication needs to be given throughout the school day we ask for you to complete a 'request to administer medication' form (these are available from reception). This is also required for medication which needs to be in school at all times, though may only be needed in certain situations rather than taken daily, e.g. epipens or asthma pumps.

We also ask you to keep us informed of any changes to your child's health as it is vital in ensuring the correct level of care is given. Some students may require an Individual Health Plan which the school nurse will manage and work with parents to complete.

The school will only accept prescribed medicines that are:

- In-date (it is the parent/carers responsibility to keep a note of when medicines expire)
- Labelled with the child's name
- Provided in the original container, as dispensed by the pharmacist, and include instructions for administration, dosage and storage

Please contact the Academy if you require any more information regarding any medical condition.

Book Review

Geek Girl by Holly Smale

This book is about a girl called Harriet Manners and she is a geek who nobody seems to like at school. Eventually Harriet is offered the chance to reinvent herself. But will this opportunity change things?

I chose this book because it's a very enjoyable book to read and you start to wonder what's going to happen next.

The book made me feel really shocked about what decision Harriet decides to make and there is a lot of drama in the book.

I would recommend this book because it has very interesting situations that make you think what she decides to do.

Mariya Ahmed – Year 7

Painting by Courtney Lee Murphy – Year 7

Year 8 UKMT Maths Challenge

Congratulations to the following students who gained a UKMT Maths challenge award in bronze, silver and gold as indicated. Well done to Ehsan who scored so highly he qualified for the Kangaroo challenge!

Hospitality Industry Talk

Matthew Goffret, owner of Walnuts and Honey Cafe in South London came in to speak to the Year 10 Hospitality students about working in the Hospitality industry. He has done several jobs but was feeling unfulfilled and even though he was in a well paid job working with Cross Rail he followed his passion, did a culinary course and started from there. He is now the proud owner of a very successful Cafe that sells the most fantastic cupcakes and also does bespoke cakes. The students learnt a lot and also got to sample his very unique flavoured cupcakes. Thanks to Mr Binns from Think Forward for making this link. The students asked some great questions and saw first hand that you might be academically very able but if a vocational area is your passion then you need to follow your dream.

Ms Howe
