

Welcome back to the final half term of the year – Summer 2

Thank you to all of the staff who came in during the half term break to help and support Year 11 and 13 with their exam preparations and revision.

Eid Mubarak to everyone in our community

The school was closed on Tuesday for Eid, but Year 11 and 13 students did have exams - well done to them as they were important ones.

Join the Mulberry Choir

From next Wednesday students in Year 7, 8 and 9 are invited to join the Mulberry Choir Period 5 and 6 in the Library. Our new Choir teacher Ms Penny joins next Wednesday and will be spending this half term every week, giving a taster of what is to come next year for students. All very exciting!

I look forward to the next 7 weeks of this half term as there is so much taking place: Sports Day, getting ready for our new House system, Year 6 coming in for their Induction Day, New staff Induction Day, internal exams, Year 13 leaving events, Governors' meetings, Year 10 work experience, Year 12 work experience and lots more.

Thank you everyone for your continued support and love of our school.

Thank you, Mrs Holden – Executive Principal

Sixth Form

The exams continue for our Year 13 students this week and are going very well. We are very impressed with the commitment and dedication of our students, they have given everything.

Our Year 12 students have not been forgotten and on Thursday I launched our summer enrichment programme which is especially designed for them. We do this every year in the Sixth Form and the aim of this is to prepare our students for life after school. The next few weeks are very busy for them with events including trips to the University of Leeds and the UCAS Fair, employability workshops with KPMG, one to one careers interviews and University application support with Into University. Nearly all of our Year 12 students will be completing work experience at some point this term too and we can't wait to hear about it! We want every student to get the most they can out of this time and finish the academic year with a certainty as to what they want to do after Sixth Form.

Ms Frankum

SOCIAL MEDIA APPS

guide for parents

YOUTUBE

YouTube is a place to house and share your videos.

Inappropriate content has been sliced into both all-ages content and children's content. Also, comments on videos can be extremely inappropriate and hurtful

KIK

Kik is a mobile app that people can use to text with friends at high speed and with more of a "face-to-face feel" than regular texting

The app is rated ages 17+, but there is no age verification so anyone can download it

SNAPCHAT

Snapchat is an app that allows users to send photos and videos that disappear after they're received. It's rated ages 12+

Some kids are using the app to send racy pics because they believe the images can't be saved and circulated.

INSTAGRAM

Users can add cool filters or create collages of their photos and share them across Facebook and other social media platforms.

The app is rated 13+ and may be slightly tamer than Tumblr, but users can still find mature or inappropriate content and comments throughout the app

TIK TOK

TikTok is an app for creating and sharing short videos.

Thirteen is the minimum age, but there isn't a real way to validate age so anyone can download the app

FACEBOOK

Facebook is an app for friends to connect and share photos/videos and information about their lives.

Thirteen is the minimum age, but there isn't a real way to validate age so anyone can download the app

Ms Healy

Congratulations to Darnell & Rofiquel

Well done to Darnell and Rofiquel who are training to be firefighters. What an amazing experience for our Year 10 boys!

Mr Collis

Book Review

Goodnight Mister Tom by Michelle Magorian

It is about a boy called William who is evacuated to the countryside and a man called Tom looks after him. I chose this book because it is interesting and I like things about World War 2. It made me feel sorry because his mum would always hit him and he left things.

I would recommend this book because you can learn what happens in World War 2.

Tamim Chowdhuri Year 7

Textile painting on silk by Fatima Begum in Year 10

Sculpture in the City Workshop

Students from Mulberry took part in the Sculpture in the City workshops at Broadgate to give an insight into sculpture, how Broadgate was built and the London Skyline.

Students enjoyed the workshop and hope to use the knowledge gained as part of their course.

Ms King

Art in the Sun

The weather has been great and our students have enjoyed doing Art lessons in the sun. Here are some photos of Year 8.
