Confident with all person verb endings All noun endings covered in book 1.
Summer 1		Shape properties Scale drawings and construction Angles Geometric proof Circle theorems (H) Assessment: 20% Autumn 1 & 2 80% Spring 1 & 2	30 mark assessments Biology – B2 Organisation Chemistry – C2 Physics – P3 Matter	Topic: Weather Hazards and Climate Change Explain two natural causes of climate change since the last ice age (4 marks) Evaluate how effective a developing country’s response has been to a hurricane (8 marks)	Conflict and Tension between East and West 1945-1972 Assessment- Full exam paper	Able to write all the alphabets .Spelling , meaningful words, sentences related topics	Food and drink/ Sports Grammar, Vocabulary, Translation and Writing 90 word – 30 minutes Listening, Translation and Reading – 30 minutes	Food and drinks, types of shops, Reading and Translation into English – 30 minutes Listening – 15 minutes	‘Salvius fundum inspicit,’ translation Modal verbs with infinitives ‘-que’ on the end of a word and its meaning.
Summer 2	Literature through time project GCSE Language Style Q1 and 2 Assessment	3D shape properties Plans and elevations Transformations Assessment: All Y7-9 content	Three exams Mock paper 1s 70 marks (for both combined and separate) Biology – B1-3 Chemistry C1-3 Physics P1-4	End of Topic Test - 30 marks + additional 15 marks on previous learning	Britain: Health and the People-1000- modern day Assessment- Full exam paper	Paragraph writing about different topics, Reading and understanding some joint letter and advance Bengali words	Celebrations Grammar, Vocabulary, Translation and Writing 90 word – 30 minutes Listening, Translation and Reading – 30 minutes	Healthy and unhealthy habits and diets & issues facing young people Reading and Listening – 45 minutes Writing (photo card description, 90-word paragraph) and Translation – 45 minutes	‘caerimonia,’ comprehension Adjective agreements Relative clauses

OPTIONS								
Term	Art	Computer Science	Drama	Hospitality	ICT	Music	PE	Religious Education
Autumn 1	Formal Elements Direct Observational still life Drawing Baseline assessment	Programming Techniques: Variables Data types Operators Constructs: sequence, selection, iteration String manipulation Assessment: Programming Techniques	Identity-Your child must create a devised piece based around different stimuli and the theme of 'Identity' in groups. *10 minute devised piece assessment *1,500 word essay	Weighing and measuring Hygiene and Safety Using basic preparation & cooking equipment Following recipes Practical Assessment Victoria Sandwich Sponge Cake	OCR Creative iMedia R082 – use a variety of investigative skills to source, seek, analyse and evaluate digital components Written test 50 mins	1. Solo performance 2. Assessment of melody 3. Short listening test Homework – listen to three pieces of music in binary, ternary and rondo form and write a paragraph about each	Sponsorship and the media in sport	Understanding core beliefs and teachings Christianity Unit 1 (4 and 5 marks) Focus: Understanding key concepts
Autumn 2	Exploring Media: Drawing natural forms from direct observation using 3 different materials.	Data Representation: Units Binary, denary and hexadecimal conversions Binary Addition Binary Shifts Characters Images Sound Compression Assessment: Data Representation (and Programming Techniques)	Class Scripted Performance project 'Noughts and crosses.' Your child will work with other class members to rehearse and perform a directed interpretation of 'Noughts and Crosses.' *Graded on their character from the play text.	Structure of the Hospitality & Catering Industry Job Requirements Personal Safety Food safety legislations End of Unit test Practical Assessment	OCR Creative iMedia R082 – LO 1 Understand the purpose and properties of digital graphics Written test 50 mins	1. Ensemble performance 2. Assessment of chordal work 3. Short listening test 4. Holiday homework – choose a pop or rock song to analyse/appraise and give a short presentation after the holiday	Socio cultural barriers in sport	Religious practices in Christianity End of unit test (24 marks) Focus: Understanding key practices
Spring 1	Colour Theory Applying the knowledge of the colour wheel to transcribe an artist's work.	Algorithms: Computational thinking: abstraction, decomposition, algorithmic thinking Flowcharts Pseudocode Sorting algorithms: bubble, merge, insertion Searching algorithms: binary, linear Assessment: Algorithms (and Programming Techniques and Data Representation)	Written theory- (Component 1 criteria-continuation, of the above)	Functions of nutrients in Food Characteristics of unsatisfactory nutritional intake Impact of cooking methods on nutritional value of food The Eatwell guide End of Unit Test Practical Assessment	OCR Creative iMedia R082 – LO 2 Be able to plan the creation of a digital graphic Written test 50 mins	1. Ensemble performance 2. Assessment of composition 3. Short listening test 4. Half term homework – extended answer on a piece of chamber music, jazz or musical theatre.	Socio cultural barriers in sport	Religion and life in Christianity End of unit test (24 marks) Focus: Understanding how religion influences daily life
Spring 2	Applying Keywords: Research an Artist that relates to the current theme. Written evaluation and colour study	Computational Logic: Why data is represented in binary Logic diagrams Truth tables Computing-related mathematics Assessment: Computational Logic (and Programming Techniques, Data Representation and Algorithms)	Practitioner scheme-Your child will learn different styles and approaches to theatre through realism, surrealism and Epic Theatre.	Special Diets Designing for special dietary needs Menu Planning and factors to consider Special Diets Project Practical assessment	OCR Creative iMedia R082 – LO 3 Be able to create a digital graphic Written test 50 mins	1. Solo performance 2. Assessment of composition 3. Short listening test 4. Holiday homework – choose a piece of film music to analyse/appraise and write an extended answer	Anaerobic and aerobic exercise	Religion, peace and conflict in Christianity End of unit test (24 marks) Focus: Understanding how religion can be a source of peace and conflict
Summer 1	Responding to a Thematic unit : Research an artist. Gallery visit. 10/20 Photographs Thumbnail sketches.	Translators and Facilities of Languages: Levels of languages Assemblers, compilers, interpreters IDEs Producing Robust Programs Types of errors Iterative/Final testing Test data Defensive design Maintainability Assessment: Translators and Facilities of Languages and Producing Robust Programs (and Programming Techniques)	Continuation of Practitioner Unit	Importance of quality Designing meals based on nutritional needs Portion Control Food Presentation Practical Assessment Food Presentation Tasks	OCR Creative iMedia R082 – LO 4 Be able to review a digital graphic. Written test 50 mins	1. Performance 2. Assessment of composition to Eduqas criteria 3. Mock listening exam based on areas of study 4. Mock performing assessment – two pieces (with at least one ensemble)	Health and Fitness	Religion and human rights in Christianity End of unit test (24 marks) Focus: Understanding how religion influences global world issues
Summer 2	Sketchbook planning; Creating a final piece and sketchbook development.	Programming Techniques: Subprograms Arrays File Handling SQL Assessment: Mock Exam (OCR Paper 2)	Monologue Project-Audition Process Your child will have the opportunity to explore different monologues and pick 1 of their choice to be performed.	Importance of working in a safe environment Types of food poisoning bacteria Personal safety control measures Role of the EHO Practical Assessment End of Year Assessment Test all Content	R082 – LO 3 & 4 Create and review graphic. Practical test 50 mins		Sports psychology	Synoptic exams Practice Paper 1 (48 marks)
