

Trust Event 2019

On Wednesday evening we had a magical event at Mulberry Academy Shoreditch where all Staff, Governors and Trustees from three schools in the Mulberry Schools Trust got together to launch the start of the academic year. We heard inspiring speeches from our CEO Dr Vanessa Ogden and Ms Jane Farrell, Chair of The Trust. There were long term service awards given out to staff by the Trust and the Local Authority.

A fantastic event in our beautiful building and thank you to our fantastic student leaders who helped visitors find their way around.

Year 9 Girls' Football Team

A massive well done to our fantastic girls' football team who represented the school at a tournament for students in older year groups. I am very proud of them and how they performed – a great fighting spirit!

Brilliant Club – Year 9 and 10 go to Cambridge University

It is really pleasing that some of our most gifted Mathematicians are now taking part in The Brilliant Club which is an organization which supports schools to stretch and challenge Mathematicians and encourage them to explore their gifts further.

The introduction meeting for our students to The Brilliant Club will be at Cambridge University - which is just brilliant!!!

Mosaic Mentoring from The Prince's Trust

I am very pleased that students in Year 9 and 10 have started the engagement with mentors from Mosaic Prince's Trust. It is just brilliant to see our young people in the Library every week taking part in such a prestigious project set up personally by his Royal Highness Prince Charles.

Thank you, Mrs Holden – Executive Principal

Sixth Form

Students in Year 13 have been studying Keats' poetry for their English Literature A Level and on Friday we went to the Keats House Museum in Hampstead Heath.

Students found out about the poets prolific but tragic life and the time he lived in. We were given a private talk and saw some of the paintings which he had been inspired by. A thoroughly interesting afternoon was had by all.

Macmillan Coffee Morning

On Thursday, we hosted our 8th annual Macmillan Coffee Morning.

Staff, students and parents/carers baked lots of yummy treats with all proceedings raised to support those people living with cancer.

Thank you to everybody for your generous donations and for continuing to support such an important cause.

Book Review

Diary of a Wimpy Kid by Jeff Kinney

This book is about a boy whose mum got him a diary to write his feelings about but he just wrote about his life.

I chose this book because it looked interesting and I have read the other books and they are all good, fun books.

This book made me feel happy because it was a bit realistic and it was fun to read about Greg's everyday life.

Yes, I would recommend this book because it is an educational book and it is appropriate for many people.

Safer School Routes to and from School

- Staff are on duty at key points at the end of the day. This is to ensure that students make their way home safely.
- Students are expected to make their way straight home after school and use the safer routes.
- Students must not meet any students from other schools.
