

Wow – another major event at Mulberry Academy Shoreditch where we hosted a high profile event for the First Give. Mulberry Academy Shoreditch has a long history of participating in social action activities because we believe that young people should benefit from meaningful engagement with their local. It's therefore, no surprise that our partnership with First Give over the last few years has gone from strength to strength. The partnership has led to our students acquiring important life skills such as confidence building, taking the initiative, harnessing ambition and learning how to be empathetic towards each other and those around them; these are life skills that young people need to learn.

We are proud of our partnership with First Give and even more delighted that we can call you true friends of this school.

### Umayya Rahman in Year 10 - beautiful cake auctioned to staff

Umayya is a fantastic student in Year 10 and always doing brilliant things – she was even a candidate for Young Mayor of Tower Hamlets! This week she made a beautiful and very artistic cake to auction and the winner, after much bidding, was Ms Elliot at £40. Well done Umayya and Ms Elliott!!

### Lovely work in Science

Well done to Hassan Ali for a fantastic piece of brilliant Science work focusing on Biology and the nervous system. It literally is good enough to eat!

### Year 7 Meet the Parents Evening

What a lovely evening on Tuesday and how delightful to meet all of the lovely Year 7 parents. The purpose of the evening was for parents to be able to meet with their child's Year 7 tutor and talk about the positives of starting and being at our lovely school, but also to raise anything that be made even better. I have to say, it was an overwhelmingly positive evening.

**Thank you, Mrs Holden – Executive Principal**

## Sixth Form

Another busy and exciting week in sixth form. The Mark Evison Foundation came in on Wednesday to promote personal development of young people to overcome challenges which will develop resilience and independence. Students are now arranging cycling, horse riding and swimming challenges which will develop personal skills and raise money for charity.

The school is also fortunate enough to be participating in a mentoring project with KPMG, a large group of Year 12 students being mentored one to one with an employee from KPMG. This takes place every Wednesday at KPMG offices. Abdullah Jalil, is being mentored by a project manager at KPMG, he says , "it's a great opportunity as you can meet with people who have been in the wider world of work and education and help you. My mentor has already given me advise on how to apply to University and the sort of experiences we need."

Students in Year 13 have been furiously completing their Oxford, Cambridge applications and Medicine applications. They've been helped along by our specialist tutors from Bright Stars and teachers in the school. Best of luck to all our applicants

## Book Review

**Scarlet and Ivy by Sophie cleverly**

This book is about two mirror twins and their mysteries connection. It is set in a boarding school and how a sudden disappearance causes a huge ruckus.

I choose this book because it looked good and someone recommended it to me.

This book made feel engaged as it was such a fun read!

I would recommend this book because it is good.

# Save the Date – Year 11 Parents' Evening

Year 11 Parents' Evening will take place on Tuesday 29<sup>th</sup> October 2019 from 4.00pm to 6.00pm.

It is essential you attend for your child's academic success. This is an opportunity for you to support your child and ensure they succeed in their upcoming GCSE Mock Exams. You will have the opportunity to speak to your child's teachers from all subjects.

The aim of the event is to:

- Help you understand how your child is doing in each subject
- Show you what your child needs to focus on to improve
- Emphasise how the school will support your child to achieve
- Provide you and your child with a selection of valuable resources to study from
- Opportunities to meet and speak with staff from our Sixth Form.

Students are required to attend Parents' Evening in full school uniform.

Please confirm your attendance by emailing [parents@mulberryacademymulberry.org](mailto:parents@mulberryacademymulberry.org). Please state your child's name and tutor group. Alternatively you may respond to the text message you will receive by stating 'Yes' or 'No' or by calling 020 7920 7957/020 7920 7919.

We look forward to meeting our all our Year 11 Parents/Carers on Tuesday 29<sup>th</sup> October 2019.

Mr Collis

## Cycle Safe

Whether you are a student, a member of staff or a visitor to Mulberry Academy Shoreditch, your safety is extremely important to us. Please cycle safe. Feel free to check out some of the links below to websites that offer safety guidance, Tower Hamlets cycle lane information and cycling courses available locally.

### Students

As a school we are keen to encourage our students to walk or cycle to school as part of a healthy lifestyle. If you choose to cycle, please adhere to the following guidelines:

- bring a lock so that you can secure your bike to the racks provided
- always wear a helmet when cycling
- never wear headphones or listen to music whilst cycling – you will not hear other, potentially dangerous road users
- lights and/or high visibility clothes are a must as it may be dark when you cycle home
- it is desirable that you have completed a cycle safety training course (see details below)
- cycle slowly and safely and use cycle lanes where possible

### Cycle Racks

We have ample room for bikes both in the racks outside the main entrance and the covered area in the car park. The car park is kept locked throughout the day for added security.

Guidance, courses and websites.

Here are a few links to some useful websites regarding cycle safety and cycling in and around London.
