

House Reward Trip

I am so pleased that students are really benefitting from being with each other and having fun and forming new friendship through our amazing House system and I would like to thank the wonderful Heads of House for their energy and commitment this first half term of the academic year.

Year 7 letters

Thank you to Ms Bartlett who has coordinated for all Year 7 students to write a letter back to their Primary school teachers to say how they are getting on at Mulberry Academy Shoreditch. I am just so please that Year 7 have settled in so well to our school and are very happy.

Year 7's interview Konnie Huq!

Well done to Eleni Brooks in 7C and Mansin Chowdhury in 7A, both of whom came from Virginia Primary school - who met with Author Konnie Huq and interviewed her. The interview was then reported in this publication. Journalists and Editors of the future - well done girls!

I would like to wish all of our students, families and staff a very safe and restful half term Autumn break.

Notices

- We return on Monday 28th October 2019 at the normal time
- It is Year 11 Parents' Evening the first Tuesday back after half term
- Your child does now need a coat to travel to and from school – please ensure it is a black or dark blue coat as per our uniform rules.

Thank you, Mrs Holden – Executive Principal

Sixth Form

Last Thursday myself and three students Maria Marin, Inaya Yasmin and Tahmid Miah were invited to The Worshipful Company of Chartered Secretaries and Administrators Installation Dinner. The annual event takes place to welcome in the new Master, who this year is none other than our own Governor Edward Nicholl!

The event took place in Saddlers Hall a beautiful location for an incredibly prestigious event. The livery companies, 110 in total, represent modern and ancient trades and craftsmanship's of London. Today, the livery companies carry out extensive work supporting the Mayor of London and charitable work across the city as well as preserving the trades they represent. The evening involved a banquet and an opportunity to meet livery men and women and invited guests. The students and myself were made to feel incredibly welcome by everyone and it was particularly touching to hear Edward Nicholls talk with such high respect for the work he and the company do to support the school. There was much talk of the Sheriff's cup debating competition and as the current title holders of the cup, pressure is already mounting up for our Year 12 team. We wish our Governor Edward Nicholl's all the best for this year ahead and we look forward to our continued support and work with the Worshipful Company of Chartered Secretaries.

Ms Wallace - Head of Sixth Form

Girls Football Team Victory!

The Year 8 and 9 girls progressed all the way to the final yesterday and lost in the final 2 - 1 to Bishop Challoner Year 10 team, a team which had numerous players at professional clubs such as West Ham.

The final was a ferocious contest and the girls matched Bishop and won many physical duels. The girls really did the school proud. Please congratulate them when you see them.

The PE Department

More Sports Success!

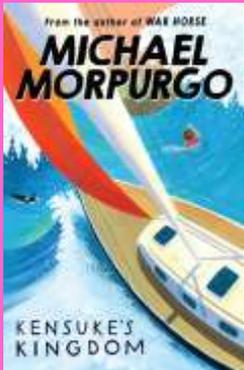

The Year 10 boys had their first football match of the season tonight. In a tough fought contest they ran out 6-3 winners. Player of the match for Squad A was Josh. Player of the match for Squad B was Navon.

Thank you to Mr Collis and Ms Taylor for showing your support the pupils really love our staff being there.

The PE Department

Book Review

Kensuke's Kingdom by Michael Morpurgo

Kensuke's Kingdom, By Michael Morpurgo is a story that takes you on an adventure. An Adventure full of excitement, sadness and love. In the story, a young boy, called Micheal and his family (including their pet Stella) – go sailing around the world, due to his parents losing their jobs. Everything is fine until one day, Michael and Stella are nowhere to be found...

I chose to read this book as the front cover was very eye-catching and the blurb really got my attention! This book took me on an emotional rollercoaster as, like I said before, 'this book is full of excitement, sadness and love.'

Without a doubt, I would recommend this book as it is enjoyed by many people in the world and it's a great book – if you plan to read this, an unforgettable journey awaits you!

By Maymuna Rahaman – Year 7

Cambridge University Talks

UNIVERSITY OF CAMBRIDGE

On Friday 11th October, Chris Scott, College Research Associate and Schools Liaison Officer from Cambridge University visited Mulberry Academy Shoreditch. Chris delivered presentations throughout the day to students in Years 8, 9, 10, 12 and 13.

Chris talked about what makes Cambridge University one of the most prestigious Universities in the world and what they need to do to get there. Year 13s had the opportunity to discuss their Oxbridge applications and get some pointers about how to be successful at interview. It was a great insight for students and I was really impressed by all the questions they asked.

Ms Taylor

New Scientist Live Trip to London Excel

Last Friday Year 12 and 13 students studying Biology, Chemistry and Physics descended on London's Excel centre to attend the New Scientist Live exhibition. It was a fantastic day that included talks on subjects such as "Plastic pollution in British waters", and "What robots can teach us".

Students also had the chance to talk to representatives from over 10 universities as well as UCAS. Students particularly enjoyed discovering what the surface on the moon smells like, and trying to run 10 meters faster than Usain Bolt (as did Ms Hunnisett).

3D Art work by
Zakariya Miah and Hafiza Yamsin – Year 7

Year 11 Parents' Evening

Year 11 Parents' Evening will take place on Tuesday 29th October 2019 from 4.00pm to 6.00pm.

It is essential you attend for your child's academic success. This is an opportunity for you to support your child and ensure they succeed in their upcoming GCSE Mock Exams. You will have the opportunity to speak to your child's teachers from all subjects.

The aim of the event is to:

- Help you understand how your child is doing in each subject
- Show you what your child needs to focus on to improve
- Emphasise how the school will support your child to achieve
- Provide you and your child with a selection of valuable resources to study from
- Opportunities to meet and speak with staff from our Sixth Form.

Students are required to attend Parents' Evening in full school uniform.

Please confirm your attendance by emailing parents@mulberryacademymyshoreditch.org. Please state your child's name and tutor group. Alternatively you may respond to the text message you will receive by stating 'Yes' or 'No' or by calling 020 7920 7957/020 7920 7919.

We look forward to meeting our all our Year 11 Parents/Carers on Tuesday 29th October 2019.

Mr Collis

Year 9 JP Morgan STEM Outreach Project

Our Year 9 students continue their JP Morgan STEM Outreach project on Friday, with their first trip to Imperial College Maker Space. The students learnt how to make 3D models, laser cut, saw, file and build and code for electronics. Here are some great photos of them in action!

Ms O'Connor
