World Kindness Day at Mulberry Academy Shoreditch

was special - In a world that is often not kind, Mulberry Shoreditch was a beacon of kindness on Thursday when we had our Drop Down Day organized and led by Ms Miller where we had in total 28 visitors to the school from different companies including KMPG, delivering different sessions to students ranging from keeping safe to building resilience for life and sport and yoga and meditation. A wonderful day for all.

Sixth Form Parents' Evening

On Tuesday evening we had our Year 12 and 13 Parents' Evening - thank you to Ms Wallace and Mr Matsangos for leading on this. It was really well attended and a real pleasure to meet so many of our lovely long standing parents, many of whom have been loyal to the school for seven years and longer and many of whom Mr Ali taught!! A great evening talking about learning and expectations.

Visit to Hague Primary School

On Tuesday Ms Miller and I visited Hague Primary school which is a fantastic place to be, and I really enjoyed being with reception and nursery children – it was amazing! I would like to thank the Head teacher, staff and students of Hague Primary school for their warm welcome and hospitality and I look forward to them visiting us in January.

Remembrance Day

We observed a two minute silence at the school on Monday 11th November. It was a peaceful and reflective moment. I was very proud of our students and staff.

Thank you, Mrs Holden – Executive Principal

Uptree Careers Assembly

Year 12 students took part in the Uptree assembly this week. Uptree is an organisation which supports young people with careers networks. The assembly was very thought provoking about the importance of having a diverse CV. Students can now access work experience opportunities through the Uptree platform.

Some students who are already taking the initiative to create a stand out CV are Mariyah Islam and Mahira Hoque who are now regular volunteers in Bethnal Green Oxfam. This is a great way to support a local charity and gain experience in customer relations and communication.

Sixth Form Parents' Evening

This Tuesday was the Year 12 and Year 13 Parents' Evening. It was a great way to meet and talk to so many parent and carers and discuss the progress of students. Revision materials were provided for all Year 13 students and discussions about final results and destinations took place. For Year 12 students and parents, the event was an invaluable way to discuss transition into students and meet the parents of our amazing students who joined us in September. The evening was thoroughly enjoyable and useful event for all.

Ms Wallace – Head of Sixth Form
