19th March 2020

Dear Parents of Year 11 and 13 students,

I am writing this as a special letter to you, I am extremely sorry about what is a very difficult time concerning GCSEs and A Levels.

I wanted to send my thoughts and empathy to you, and your child, at this time and to reassure you that the school will do everything it can to update you with any information that we get.

The school has done an excellent job of ensuring regular mock examinations, and assessment have taken place, so that we are in a very good place to know how your child is doing, has done and could do academically in exams.

I am extremely proud of how the school is coping in these challenging times and I will always keep you updated via our website.

But please know that I am with you and alongside you with how you are feeling, and how your child is feeling, regarding the anxieties that this situation must bring. I can only reassure you that this is a national situation and all schools are working together on this, so all children will be the same.

Yours sincerely

Mrs Ruth Holden
