

Executive Principal: Mrs Ruth Holden, MA, NPQH

Friday 17th April 2020

Dear Parents and Carers

I hope that you are keeping well, and that the Easter break has enabled you to get some rest and relaxation despite these challenging times.

In light of yesterday's news of another three weeks of lock down I am just writing to confirm that from Monday 20th April the school will remain closed, but that Mulberry school for Girls, our sister school, will remain open for children of key workers, for the most vulnerable students, and for those with EHCPs. As before this should only happen where it is not possible for them to be safely supervised at home. The school will be open from 9:00 to 3:30pm. I am grateful to all families for helping us to do our bit as a school to slow the spread of Covid-19.

You can also expect that from Monday the online learning will resume, and your child/ children should hear from their teachers in due course.

It is my intention to survey students and parents early next week to get some feedback on how the home learning has been working so far and details of this will follow soon. I will also send out on Monday further details of the plans for awarding GCSE and A Level grades this year.

Please enjoy the weekend as much as you can.

With kind regards

Ruth Holden
Executive Headteacher
