

Executive Principal: Mrs Ruth Holden, MA, NPQH

1st May 2020

Dear Parents/Carers and Students

I hope you are continuing to be well and safe and managing the current situation as best as you can.

It is a very difficult and challenging set of circumstances for us all and seems as though it may go on for a bit longer. The school continues to work on all of the directives that we are being given by the DfE / the Government to do with predicted grades and the voucher scheme and of course awaits announcements about reopening.

Again, thank you for the positive feedback we have received from some students and parents about the work and learning that we are providing through Google Classroom. There has also been some very positive feedback about our video messages to you all and about some of our live feeds to you. We are planning more of these for next week – thank you to Mr Stokes for his amazing assembly which I think nearly the whole school watched.

There continue to be a lot of online resources being produced by various organisations to support home learning and the link below takes you to some more which come from the University of London.

<https://www.ucl.ac.uk/ioe/departments-and-centres/centres/london-centre-leadership-learning/free-online-learning-resources>

I am also aware of families who have lost loved ones due to coronavirus over the weeks and our thoughts are with them. Please stay in touch with Heads of Year, Heads of House, Heads of Department, individual teachers and staff so that we know that you are okay and can offer and arrange support that you may need in these difficult times.

Please continue to check our website for updates and news.

Stay in and stay safe.

With kind regards

Mrs Ruth Holden
Executive Principal
