7th May 2020

Dear Parents/Carers and Students

I hope you are continuing to be well and safe and managing the current situation as best you can.

We all await Government announcements for 'easing up' of restrictions and when we get this we will all no doubt digest, reflect and make decisions for ourselves, our families and our friends.

In terms of schools, and our school, we will look for the directives from the DfE and put things in place sensibly, logically for students and with theirs, and our safety, at the forefront of what we do. Thank you in advance for your help and support with this.

We have put together an easy to use and short survey for students to fill out on how they have found Google classroom as a vehicle for learning. This will be on our website for students to access.

Please continue to check our website for updates and news.

Stay in and stay safe.

With kind regards

Mrs Ruth Holden
