

Executive Principal: Mrs Ruth Holden, MA, NPQH

15th May 2020

Dear Parents and Students

I hope you are continuing to be well and safe and managing the current situation as best you can. Please remember to contact your Head of Year, or House, or a member of staff if you want to talk to us at any point at all. We are very pleased that every single student at the school was contacted and spoken with over the last 8 days and I thank my staff for this.

I hope you enjoyed the Mulberry Shoreditch House Quiz this week – I know many of you want more of these type of interactive and engaging activities and we are doing more competitions and activities of this nature. Thank you to the Heads of House and staff who have made this happen, please contact your teachers and Heads of Year and House with ideas you may have with regard to this.

We are as a Nation receiving daily Government announcements for the ‘easing’ restrictions and one of these is that Primary schools should plan to open on 1st June and that Secondary schools should plan to have some face to face contact with particular year groups; Year 10 and 12, before the Summer holiday. The advice at this point is rather vague and we are now working out what that might look like and we will obviously share the details of this with you as things develop. It is important that we manage expectations and I am clear that we will not be operating anything like a full timetable with limited staffing, and whilst ensuring social distancing can happen. But I will keep you informed of our progress on this issue and we are hoping the Government will provide some further clarity over what is expected. Putting things in place sensibly, logically and safely for students will be our priority. Thank you in advance for your help and support with this.

Thank you to those students who filled out and returned our survey on how they have found Google classroom as a vehicle for learning, the results of this were overwhelming positive.

Please continue to check our website for updates and news.

Stay alert and stay safe.

With kind regards

Ruth Holden
Executive Principal
