Wednesday 3<sup>rd</sup> June 2020

Dear Parents and Carers of Year 6 students,

I hope this letter finds you safe and well, and that you and your families had as good a half term break as possible under the current circumstances.

I am really pleased to inform you that we will very soon be sending you a welcome video to watch. It is a video for both yourself and your child to watch to welcome you to the school and give you information about us. The video is made by us so it is very personal and it will hopefully, both reassure and excite you and your child about the school and the transition that they are about to make from their Primary school to us. The welcome video includes messages from me and from some important staff members that your child will see daily at the school from September.

Also, we are in the process of clarifying our plans to invite you and your child in for a one to one interview on either Friday 3<sup>rd</sup> July 2020 between 9am to 12 noon, or Friday 10<sup>th</sup> July between 9am to 12 noon. We will be sending each of you a date and time inside one of these two slots for an interview to welcome you and your child and to give you our welcome pack. We hope that this will also help with the transition from Year 6 to 7, and give us an opportunity to meet with you and listen to anything we can help you with, especially as we will not be able to have our usual transition day in July for Year 6 students.

We will be in touch shortly to give you a time slot.

If you have any queries at all about anything, please contact my PA Cassie Pitts on [cpitts@mulberryschoolstrust.org](mailto:cpitts@mulberryschoolstrust.org)

With kind regards and best wishes.
