Friday 28<sup>th</sup> August 2020

Dear Parents, Carers and Students,

Firstly, I would like to send you my good wishes to you and your families, I hope you are all in good health and hope you have had a good summer break.

## Year 11 and 13 Exam Results

We are very proud of our Year 11 and 13 students who did very well this summer with their GCSEs and A levels. The School dealt with the Government announcements calmly and sensibly and we had some fantastic celebration days with our students when they collected their results.

Please look at our website, Instagram and Twitter to see the photographs of these wonderful days; we are very pleased that the school got its best results ever – Well done students, parents, and staff.

## Reopening in September

We are very pleased to announce that the school will fully open in September. We have spent the summer holiday making sure that the school is very clean and safe.

There is hand sanitiser available all over the school and each year group will be taught in their own bubble with their own classrooms, desk, chairs and toilets.

We have worked hard to make sure that Government guidelines are in place and that student and staff are safe.

Students must wear full school uniform to school and Sixth Formers must wear business dress.

The school will be teaching all subjects and students will have their own timetable within the year group bubble.

Please see below and read **very** carefully the dates and times that your child should come back to school in the first 2 weeks.

Wednesday the 2<sup>nd</sup> and Thursday 3<sup>rd</sup> September are for **staff only**.

Friday 4<sup>th</sup> September are for **Year 7 and 12 only**.

**Monday 7<sup>th</sup> September** – Years 7, 11, 12 and 13

**Tuesday 8<sup>th</sup> September** - All year groups should come in. Please see below for details. Please also note that the only food school is providing is lunch time not breakfast or snacks.

#### Face Masks

Further to the Government's recent announcement regarding face masks, these will not be compulsory at the school. If students and staff wish to wear facemask they can but the school will not provide them. If the school becomes part of a localised or national lockdown or tighter restriction area, we may need to bring facemasks in as mandatory. If this happens, we will write to parents and students to inform them of this. Facemasks must be appropriate for school and not of an extreme nature. Face masks can be worn in all areas of the school **except** classrooms.

Thank you for working with the school in this difficult and challenging time and we cannot wait for your child to be back in school receiving their education and having fun with their friends.

Yours faithfully

Mrs Ruth Holden  
Executive Principal
