19<sup>th</sup> October 2020

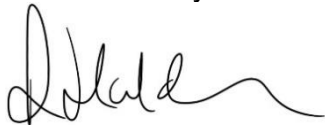

Dear Parent/Carer

We have had an excellent start to the term and we hope you and your families are safe and well. Students have been amazing in the way they have conducted themselves around the school and in classrooms. They have come in with full equipment, correct uniform and masks, ready for learning – well done!

The school will close to students for the two week half term break on Friday 23<sup>rd</sup> October 2020. Students will return to the school on Monday 9<sup>th</sup> November 2020 at 8.30am.

I would like to take this opportunity to say I hope you are have a very peaceful half term break.

Yours faithfully

Mrs Ruth Holden
