

## Executive Principal's News

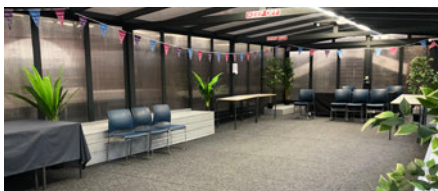

### Christmas lunch

It was really lovely to have Christmas music and crackers and table cloths and lovely Christmas lunch for students this week. Thank you to our Catering company Accent for their work with us on this.

### Display

We have worked hard this academic year on the appearance of the buildings and the display and environment at the school. I am very pleased with the improvements made so that students and staff feel happy in their work areas. Well done to Mr Rakshi for leading on this at the school.

### Panto

Amazing and well done to Year 8 students and to Ms Higdon, Ms James for their hard work and organization on this all week with students, and to Ms Allister for her work on editing the Panto for viewing. We all watch it on Friday afternoon as a treat for staff and students.

### Notices

All students must bring a mask to school and must wear it around the buildings.

With a week to go until the end of the school term - can students please ensure that they are on time to school.

Thank you,  
**Mrs Ruth Holden**  
Executive Principal

# Artificial Intelligence Against Bullying

Year 12 A Level Computer Science is very fortunate to be working with SafeToNet. SafeToNet, which is based in the City, uses advanced artificial intelligence (AI) to detect bullying on children's phones. On Friday, students had the opportunity to hear from a virtual panel to hear about the company's use of AI, as well as a variety of careers in the industry. They asked great questions and learned a lot about AI and how SafeToNet ensures data is kept secure.

## Delicious Dishes

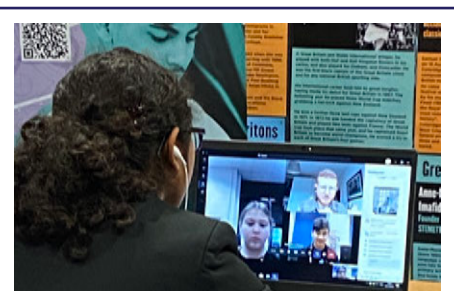

Year 10 students cooked this week and showed off their presentation skills, they made a sweet & sour chicken dish. We're extremely proud of our students, Janique, Zara, Zain and Mohamed who worked very professionally in the kitchen.

## Year 8 Peter Pan-tomime

Our annual Year 8 pantomime is normally performed to local primary schools and year 7s. But due to current circumstances, this year the Drama department filmed the amazing work of our actors and designers in Year 8 and the video was streamed to Year 7 students on Friday 11th December. A big round of applause to all students and their teachers that worked hard to entertain us with this fabulous production of Peter Pan.

Year 9 students are learning online with the Prince's Trust Mosaic programme. Their weekly workshops are helping them to develop their confidence and their employability skills.

## Flu Spray/Injection Catch Up Clinics

If your child (Reception to Year 7) has missed the Flu spray at school please contact the team to arrange an appointment. \*\*\*If you refused the vaccination due to faith/vaccine content reason, we are now able to offer the Flu Injection which **does not** contain gelatine\*\*\*

To book an appointment please send a text message to **07908908415** with your child's full name, DOB, Class, School and vaccine preference (spray or injection) We will reply back with details of the appointment. Due to high demand we are taking bookings via text message only and will not be taking calls. Appointments will be given according to when we receive your message and whilst there is stock availability.

**Protect your child.** The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.

**Protect you, your family and friends.** Vaccinating your child will help protect more vulnerable family and friends.

# MATHS PROBLEM OF THE WEEK

Did you manage to solve the maths problem this week?

There are three boxes. One box contains pears, one contains oranges, and one contains pears and oranges.

The labels have fallen off and all have been stuck back on the wrong boxes.

Barry opens one box and without looking in the box takes out one piece of fruit. He looks at the fruit and immediately puts the labels on the the right boxes.

How did he do it?

**Answer** Barry opened the box labelled "pears & oranges". This box must contain only pears or only oranges. If he picks a pear then he knows the box he opens is "pears" and the other two boxes must be "oranges" and "pears and oranges". The one labelled "oranges" must be wrong so it is labelled as

"pears and oranges". A similar argument works if he picks an orange.

In summary:

He picks	Pears	Oranges	P & O
A pear	Oranges	P & O	Pears
An orange	P & O	Pears	Oranges

## Department for Education coronavirus (COVID-19) helpline

The Department for Education coronavirus (COVID-19) helpline is available to answer questions about coronavirus (COVID-19) relating to education and children's social care. Staff, parents and young people can contact this helpline by calling:
