

Executive Principal: Mrs Ruth Holden, MA, NPQH

Dear Prospective Sixth Form Student,

I hope you are and your families well in these difficult times. This letter marks the first of my weekly communication with you to update you on all things relating to Sixth Form. Each week I will focus on a different aspect of the Sixth Form. I will also be advertising online events and launching competitions to not only help you prepare for life as a Sixth Form student but to also give you something a little different to do outside of lessons. This week's focus is on our subject offer. The attached flyer shows all of the subjects we plan to offer next year. Our offer is designed to provide as much choice of possible so you are picking subjects you are passionate about. They are also subjects that will get you where you want to be whether it be to study Medicine at University or apply for an apprenticeship in the city. If you have any questions about the subjects or if there is something you want to do that is not on the list, please contact me on the email below. Next week I will be in touch with more information about our Sixth Form offer and events this half term. Please contact me at any time should you have any questions about the Sixth Form.

IMPORTANT DATE for external students: We will be running a virtual event on Thursday 21st January to tell you about our Sixth Form and hold a Question and Answer session. Please respond to sixthform@mulberryacademyshoreditch.org

Yours sincerely

Karen Frankum

Director of Sixth Form/Assistant Vice Principal
