

## News this week from the Executive Principal

### Kayaking

Thank you to Ms Miller who took her Year 9 girls Kayaking on Wednesday in the nearby London Canals. Everyone had a super time and it is a great experience for these students to have a water based sport for the GCSE.

### Library

Now that bubbles in the school are over, it is wonderful to have the use of our lovely library back again! We already have our library monitors hard at work sorting out all the books! Really good to see it!!!!

### Year 12 Thorpe Park

It was lovely on Thursday to see all of the Year 12 students going on their bonding trip to Thorpe Park. It's a lovely way for our external students to have fun and meet and get to know all of the our Year 12 students who were already with us from Year 11! Well done to Miss Taylor for organising!!!

### Open sessions

If you're looking for a place for your child in September 2022, come along and visit our school. Our open mornings are:

- 9.15am from Monday 20th September to Thursday 23rd September
- 9.15am from Monday 27th September to Thursday 30th September
- 9.15am from Monday 4th October to Thursday 7th October

**Our Open Evening is on Thursday 7th October from 4 – 6pm.**

We look forward to meeting you.

Thank you,  
**Mrs Ruth Holden**  
Executive Principal

## Sixth Form Update

A highlight of this week was when four of our students from last year's Sheriff's Challenge Debate Team were invited to the WCCSA Livery Dinner by the Master of the Livery and one of our Governors, Ted Nicholls. Held at the prestigious Plaisterers' Hall in the City of the London, our students along with Head of Year 13 Sarah Wills attended the ceremony and were able to meet many of the Livery Company members and witness many of the important traditions that take place at such events. The four students, Hana Abi, Yasmin Jama, Karima Uddin and Sumeya Abdi felt incredibly lucky to have the chance to do this and very much enjoyed meeting so many interesting people. Thank you to Ted and also to Angela Squire for continuing to support our Sixth Form and inviting us to events such as these.

## JustGiving™

**The last year has been extremely difficult for our students. As we come out of lockdown and our school begins to return to normal, there is an urgent need to give all our students the opportunity, not just to return to the classroom, but to have fun, to experience a trip somewhere, to feel the freedom of the seaside or a camping trip and to enrich their lives and undo the mental and emotional damage that lockdown will have caused. If you feel passionate about helping us to do this for our young people aged 11-18 – please donate to our JustGiving page – no matter how little or how much – you will make a difference to children's lives and we will acknowledge this. Please visit:**

# House Trip to the Lake District

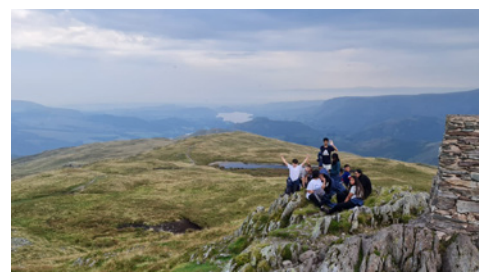

36 students from Year 8 and Year 9 enjoyed a brilliant week of adventure in the Lake District with the Outward Bound Trust.

Under sunny blue skies, students tried a host of exciting activities, including gorge walking, waterfall climbing, rowing, canoeing, cliff jumping, orienteering and fire-making. The highlight of the trip was an overnight expedition, which saw students then row/canoe their way along the lake and hike up mountains to spend a night outdoors. In between the sunsets and shooting stars, students were developing the MAS character values: respect, ambition, communication, curiosity, resilience. Although the activities were designed to challenge students, everyone did brilliantly and showed real determination and courage! We very much hope to be back again next year.

## Homework club

Homework club is open for all students in years 7, 8 and 9. Running on Tuesdays and Thursdays from 3.30pm until 4.15pm, homework club is a great way to get your homework done before you get home, with staff on-hand to offer support if you need it. Meet us in the library after school on Tuesday or Thursday to join.

# Celebrating STEM Academy with Dr Mundy

## MULBERRY STEM ACADEMY

IN PARTNERSHIP WITH   
MERCEDES-BENZ GRAND PRIX

On Friday 10th September we were very pleased to welcome STEM students from Mulberry School for Girls, Mulberry UTC and Stepney Green Maths, Computing & Science College who joined us for a celebration assembly.

Dr Mundy, who led the assembly, paid tribute to the hard work put in by students and highlighted the amazing experiences and opportunities during the first year of Mulberry STEM Academy, in particular the unforgettable week of work experience that a group of Year 12 STEM Scholars enjoyed at the Mercedes-AMG Petronas Formula One Team headquarters in Brackley. The students involved were presented with framed photographs of their visit and there were also rewards for those who

made an impact as a STEM student in each of the schools.

There was recognition of the hard work that students put into building the impressive Greenpower kit cars which students will be racing at the Greenpower finals in Goodwood in October. We look forward to seeing their cars being driven and wish them luck in the races!

## NOTICE

Parents/Carers who have consented to their child receiving the HPV vaccination, This will take place on Monday 20th September. You can return your signed forms on the same day and your child will receive the vaccination.

# WORD OF THE WEEK

**WOW!**

## Ambitious

Adjective

DEFINITION	EXAMPLE
Aiming high and being determined to achieve something remarkable, but difficult.	Tonisha was an ambitious athlete. She'd set a goal to break the world record for running 200m before the ages of 25 yrs. If Isaac's ambitious plan worked, he would raise one million pounds by 2025.
SYNONYMS	ANTONYMS
Motivated. Driven.	Unenthusiastic. Not bothered.

**CHARACTERISTICS**  
From the old French 'ambitieux'.  
The noun is 'ambition'.

# ART & CRAFT CLUB

THURSDAYS  
3.30-4.30  
ROOM 405

See Ms King or Ms Kilmanaite for more info.

# Year 12 at Thorpe Park

Here are a few photos of Year 12 students enjoying a day in the sunshine at Thorpe Park on Thursday.

## Year 7 climbing course

Yesterday a group of Year 7s started a 3 week course at the Urban Base climbing centre learning to climb and working towards a NICAS Level 1 certificate. They really enjoyed the first session and showed real courage and determination.

## MATHS PROBLEM OF THE WEEK

Did you manage to solve the maths problem this week?

Our school dinners offer the same basic choice each day.

Starter: soup or salad;  
Main course: pasta, fishcakes, pizza, burger or curry;  
Dessert: crumble, cake or fruit salad

I change my choice for each course every day, trying each option in turn, going back to soup after salad, to pasta after curry and to crumble after fruit salad.

Today, I shall sit down to soup, pasta and crumble.

How many school dinners will I have eaten before I next sit down to the same combination again?

### How to get started?

Every second meal I will have soup for my starter.  
How often will I have pasta for my main course?  
How often will I have crumble for my dessert?
