

Executive Principal's and Head of School's News

Sports Day

On Thursday we celebrated the end of term with having a whole school sports day. Students had so much fun, as did teachers and associate staff! We even had an inflatable assault course -which everyone loved! Thank you to Ms Pitts and Mr Collis for organising the day!

Year 7 History Reward Trip

On Wednesday, Mr Sharples took Year 7 students on a History reward trip to the London Metropolitan Archives. The London Metropolitan Archives is a public research centre which specialises in the history of London, caring for and providing access to the

historical archives of businesses, schools, hospitals, charities and all manner of other organisations from the London area. The students had a lovely day and learnt a great deal about the history of London.

Bank of England Visit

Year 10 Business students were lucky enough to be invited to a tour of the Bank of England on Wednesday! The students learnt about the history of the Bank of England and what it does today, why people started using paper money, and discovered the secrets of why banknotes are so difficult to copy. Some students also tested their strength by picking up a gold bar, and discovered why the building is on top of one of the world's largest stores of gold! Thank you to Ms Thornton and Mr Blagorodnov for accompanying the students

Thank you,
Mrs Ruth Holden,
Executive Principal
Mr Edward Rakshi,
Head of School

GCSE and A Level Results

Year 13 can collect their A Level results on Thursday 17th August from the School between 8am and 10am.

Year 11 can collect their GCSE results on Thursday 24th August from the school between 10am and 12pm.

Sixth Form News

Last week we invited a group of external Sixth Form applicants and our own year 11 students to come to the school to experience Sixth Form life. We had a huge turnout and were so happy to see students

mingling and enjoying the activities on offer. In addition to some team building activities, students also had an opportunity to speak to year 12 students about subject choices and the expectations of

Sixth Form life. A big thank you to the Sixth Form Team and our amazing year 12 students for welcoming everyone. We are looking forward to seeing you all in September!

Love Trails Festival

Last week, students from MAS travelled the Gower Peninsula with TrailFAM to take part in Love Trails Festival. With lots of trail running adventures, camping, music and talks, everyone had a fantastic time and many other people at the festival were incredibly impressed by Mulberry Shoreditch students. A big thank you to Miss Pitts and Mr Campbell for giving up their weekend to support!

History Reward trip

On Wednesday 19th July 22 Year 7 students visited the London Metropolitan Archives to take part in a tour and workshop. The students got to visit the 'strong room' where the documents are stored and visited the 'Unforgotten Lives' exhibition which uncovers the lives of Londoners of Black, Asian, Caribbean and Indigenous descent in the 16th-19th centuries. They also had the chance to explore the archives' interactive migration map in their computer suite and then finished the day by exploring some of the primary sources used to create the exhibition and presenting their findings to the rest of the group.

School Sports Day

Here are a few photos from Thursdays fantastic whole school Sports Day.

Sixth Form Conference

On Thursday our soon-to-be Year 12 students came into school for the Sixth Form conference. It was a great opportunity for them to get to know each other and to find out information about starting Sixth Form in September. There was a real buzz in the room and it was lovely to see students working together and having a good time too!

Model UN Conference

Congratulations to Agit Abaci, Greta Kilgariff, Choa Shanjahan and Ayan Yussuf on successfully completing their first Model United Conference at Mulberry School for Girls on Thursday and Friday last week.

The preparation work students had put in finally paid off and students are looking forward to developing their skills further at future conferences.

WELL DONE!

Well done to all our students who did their Dof E 16-mile hike at the weekend and completed and passed their Silver Duke of Edinburgh Awards!

MATHS PROBLEM OF THE WEEK

Did you manage to solve the maths problem this week?

A rectangle is three times as long as it is high. The area of a square is twelve times the area of the rectangle. What is the ratio of the perimeter of the square to the perimeter of the rectangle?

Give your ratio in its simplest form.

SOLUTION: 3:1

Let the height of the rectangle be x . Then its length is $3x$ and its area is $3x^2$. So the area of the square is $12 \times 3x^2 = 36x^2$ and hence its side-length is $\sqrt{36x^2} = 6x$. So the perimeter of the rectangle is $2(x + 3x) = 8x$ and the perimeter of the square is $4 \times 6x = 24x$. Therefore the required ratio is $24x : 8x = 3 : 1$.

Mulberry Academy Shoreditch

WORD OF THE WEEK

Serene Wow!

Adjective

DEFINITION	EXAMPLE
Calm and peaceful	1. Maria enjoys reading in a serene environment. 2. If you walk through a forest, it looks serene and beautiful. 3. Taking yoga classes helps me to remain serene.
SYNONYMS Tranquil. Quiet. Laid-back. Placid.	ANTONYMS Agitated. Annoyed. Excited. Loud.
CHARACTERISTICS First recorded in 1400-50; Middle English, from Old French <i>seren</i> and Latin <i>serenus</i> (of the sky, weather) "clear, unclouded"	

Year 12 at the Young V&A

On Friday afternoon, Year 12 Art students spent their lesson at the recently refurbished Young V&A.

The students explored a range of historical objects in this colourful and accessible space.

Market Fresh

Last Thursday our students set up a stall at Whitechapel Market to sell their school-grown fruit and vegetables. Our stall was in one of EIGHT locations across the capital, as part of the fabulous #KnowyourOnions programme by School Food Matters.

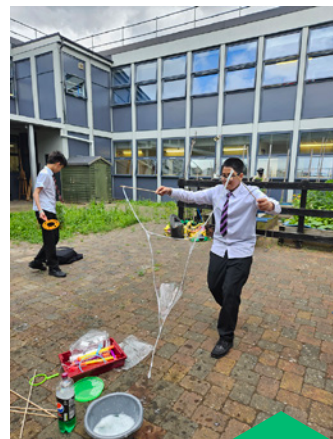

STEM CORNER

6 students from Year 7 and 8 represented Mulberry Academy Shoreditch in the Money Wise Challenge: a game-based finance competition that took place at the ExCel Centre in London. The purpose of the Challenge is to teach students about important money topics, such as how to save and spend wisely, preparing them to face the cost of living crisis. They completed a range of interactive digital activities and challenges, competing against almost 600 students from other schools across London. Well done to Alisa, Aidhyn, Harry, Yusuf, Purno and Saad for their unrelenting focus and speed!

For the final Science Club of the year, students attempted to create giant bubbles by making their own bubble wands out of sticks and string. It was a lovely practical to end the year on.

Science Club takes place every Wednesday from 3:30 - 4:15. We look forward to welcoming new students to the club next year. See you in September!

Science Society

The science society took their last trip of the year this week. We went on a red arrows flight simulator and visited the Science Fiction exhibition.
