Accessibility Plan 2023-2024

At Mulberry Academy Shoreditch we are committed to working together to provide an inspirational and exciting learning environment where all students can develop an enthusiasm for life-long learning. We believe that students should feel happy, safe and valued so that they gain a respectful, caring attitude towards each other and the environment both locally and globally.

Mulberry Academy Shoreditch is committed to providing an environment that enables full curriculum access that values and includes all students, staff, parents/carers and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

(1) Introduction

Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act.

The SEN and Disability Act (2001) extended the Disability Discrimination Act (DDA) (1995) to cover education. Since September 2002, the Governing Bodies of Schools and Academies have had three key duties towards disabled pupils under Part 4 of the DDA:

- (i) Not to treat disabled pupils less favourably for a reason related to their disability.
- (ii) To make reasonable adjustments for disabled pupils, so that they are not at a substantial disadvantage.
- (iii) To plan to increase access to education for disabled pupils.

This duty requires schools to produce an Accessibility Plan, published and evaluated annually, which identifies the action the school intends to take over a three year period to increase access for those with a disability in three key areas.

The three areas are:

- (i) Increasing the extent to which disabled pupils are able to participate in the school curriculum.

- (ii) Improving the environment of the school to increase the extent to which disabled students can take advantage of education and associated services.
- (iii) Improving the delivery to disabled students of information which is provided in writing for students who are not disabled.

In addition, the Equality Act 2010 requires all schools to:

- Eliminate discrimination that is unlawful under the DDA
- Eliminate harassment of those with a disability
- Promote positive attitudes towards disabled persons
- Encourage participation by disabled individuals
- Take steps to take account of disabilities even if this involves treating disabled persons more favourably

The Mulberry Academy Shoreditch Accessibility Plan relates to the key aspects of physical environment, curriculum and written information.

Whole school training will recognize the need to continue raising awareness for staff and Governors on equality issues with reference to the Equality Act 2010.

(2) Definition of Disability

2.1 A person has a disability under the Disability Discrimination Act 1995 if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities. Physical or mental impairments can include sensory impairments (such as those affecting sight and hearing) and learning difficulties. The definition also covers certain medical conditions when they have a long-term and substantial effect on pupils' everyday lives.

(3) Review

The Accessibility Plan will be monitored through the Governor for SEND. It may not be feasible to undertake all of the work during the life of this Accessibility Plan and therefore some items will roll forward into subsequent plans. An accessibility audit will be completed by the school prior to the end of each period covering this plan in order to inform the development of a new Accessibility Plan for the ongoing period.

The school will work in partnership with the Local Authority in developing and implementing this Accessibility Plan.

The Accessibility Plan may be monitored by Ofsted during inspection processes in relation to Schedule 10 of the Equality Act 2010.
