Re: School Meal Charges

Dear Families,

We would like to inform you that from Monday 16th September 2024, all school lunches will be charged at £3.00.

This charge will affect all Sixth Form students who are not free school meals. If you have a child in Year 7 -11, this will not affect them as, per the Mayor's Universal free school meal programme, which allows all children in Years 7 to 11 receive a free lunch.

Yours faithfully

Ms M Gibson
Principal

Part of the

Mulberry
Schools Trust
