

Edulink One is a complete engagement and management solution that supports parents, staff and students in and out of the class room

You can easily access all your child's school information in one place including:

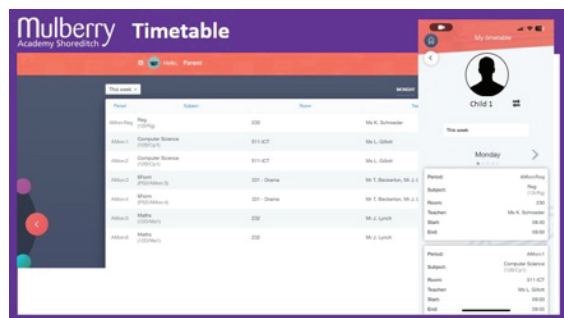

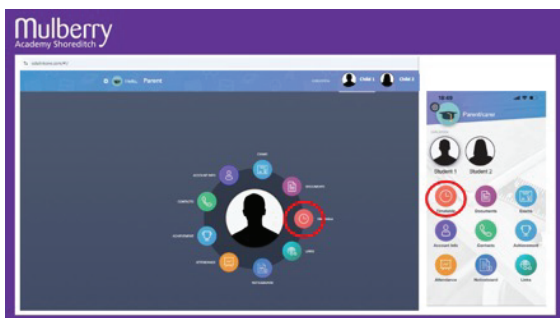

- Timetable
- Reports
- Achievements
- Attendance
- Documents - including the newsletter

We will use this platform to share reports half termly for Years 10 to 13 and Termly for Years 7 to 9

Edulink can be accessed through the web browser www.edulinkone.com or via the App.
