Friday 25th October 2024

Dear Families,

As we come to the end of the first half term, I wanted to thank students, parents, staff for all their hard work and support. I wish you a very peaceful and restful half term. Students return to school on Monday 11th November 2024.

Student Reports on Edulink

Year 10, 11, 12 and 13 student reports have been uploaded on Edulink. Edulink is an app that is being used by the school where students and families can have access to timetables, achievement points, attendance and key documents. <https://www.edulinkone.com/#!/login>

2 Week Half Term in October

As part of the Mulberry Schools Trust, MAS will be operating a two-week half term starting on Monday 28th October and ending on Friday 8th November. The second week of this half term is a remote learning week. Students should remain at home and work will be set for them on Teams.

Flu immunisations

The flu vaccine will be offered at Mulberry Academy Shoreditch this Autumn/ Winter - This year, Vaccine UK will again be offering the nasal spray as well as the gelatine free alternative which is an injection. The nasal spray is more effective for young people however, if you wish your child to receive the flu injection instead of the nasal spray, they will need to consent to the vaccination and then they are given the option of nasal spray or injection.

To give consent for your child to have the flu vaccine, please click here: <https://london.schoolvaccination.uk/flu/2023/towerhamlets>. Even if you do not wish for your child to have the vaccine, please complete the online form so that we can record your wishes.

Yours faithfully,

Ms Melissa Gibson
Principal

Part of the

Mulberry
Schools Trust

BLACK HISTORY MONTH

This Black History Month, our school had the honour of welcoming Nadine Mills, star of Netflix's "Supacell," as a special guest speaker. Nadine shared her inspiring journey, from almost giving up on acting to landing her breakthrough role.

Melissa and I had the incredible opportunity to interview Nadine. She emphasised the importance of perseverance, saying, "I had been in the industry for 10 years before booking 'Supacell.' It was a tough journey, but I never lost hope." Nadine also highlighted the significance of representation in media, noting, "Seeing Black superheroes on screen is about showing young people that they can be heroes too."

Nadine's visit was a memorable experience, reminding us all to dream big and never give up.

Israel Ajibade

On Weds 16th October we ran a wellbeing session as part of Black History Month (photos left). We had a large number of students from Y7-13 who attended a 1 hour session looking at factors that affect our well-being and mental health and ideas around how these can be managed. The session included interactive activities and discussions, allowing students to share their thoughts, feelings and experiences. Feedback from the participants was really positive, with many agreeing on the importance of normalising conversations about mental health.

House News

Following World Mental Health Day on Thursday 10th October, we have had an extremely informative week learning about how to look after our mental health.

We also had an exciting House trip on Thursday 17th October, to see London Lions play against the Bristol Flyers

in Stratford, Ms Daly even went head to head on the court with a teacher from another school!

The end of term's House Reward trip was to Jurassic Falls Adventure Golf where 60 students with the highest achievements points across the school were invited to a round of crazy golf where they had to overcome many challenging obstacles and make their way around 18 WHHLILFROH
