11th November 2024

Dear Families of Year 12 and Year 13

Re: Year 12 and Year 13 UCAS Insight Evening

We are excited to announce an upcoming UCAS Insight Evening designed specifically for our Year 12 and Year 13 students as they prepare for their next steps in higher education.

This event will cover essential topics, including:

- Understanding What University Is: Explore the purpose and benefits of higher education.
- Navigating University Applications: Learn about the UCAS application process and important deadlines.
- Student Finance England: Gain insights into funding options, tuition fees, and how to apply for financial support to help you manage the costs of university life.
- Living Outside of London: Discover what it's like to study in different cities and how to adapt to a new environment.
- Experiences at University: Hear from current students about what university life is really like.
- The Value of a University Education: Discuss the long-term benefits and opportunities that come with a degree.

Event Date

Tuesday 26th November 2024 from 4.00pm to 5.00pm

The sessions will be run by Miss Gillott and Mr. Griffiths and we encourage all students and their parents to attend. This is a fantastic opportunity to gather information, ask questions, and better prepare for your future educational paths.

We look forward to seeing you there!

Yours faithfully

The Sixth Form Team
