

Principal: Ms Melissa Gibson, MA, MPhil

14th November 2025

Dear Families

Re: Year 12M school arrangements

I am writing to clarify your child's school arrangements.

If your child is in tutor group 12M, they are expected to attend school as normal and follow their usual timetable. Although there are building works taking place on the school site, these do not affect your child's lessons. Any room changes will be posted on the relevant subject Teams page and will also appear on EduLink.

In addition, 12M will have PSHE every Week B on Thursdays during periods 3 and 4 as part of their pastoral programme.

This will take place in:

- Room 311 for Public Services and Work Skills
- Room 411 for Health and Social Care

GCSE Maths and English lessons will begin from the week commencing Monday 24th November 2025, and these will appear on students' timetables as normal.

I hope this provides clarity, and we look forward to a productive remainder of the Autumn Term.

If you have any questions or require further information, please contact reception on 020 7920 7900.

Yours faithfully

Mr J Griffiths
Acting Assistant Principal
