Dear Parent/Student,

A Level Results day and Post-results services - Summer 2026 series

A level results day this year is on **Thursday 13th August 2026**.

Results will be available for collection from school between **8.00am and 10.00am**.

Results are to be collected in person by candidates and signed for. Results will **NOT** be given out to anyone other than the students unless permission has been given to the person collecting the results by the student. Written permission must be given to a member of staff on the day.

Results not collected by **10.00am** will be available on Edulink after 12 noon

Post results services: Request, Consent and Payment

Review of Results (RoRs) and Access to Scripts (ATS) may be requested by the Centre (Heads of Department) or by the candidate following the release of results. The cost of reviews will be paid by the centre if instigated by the centre, or the candidate if instigated by the candidate.

All requests for review require the written consent from the candidate. Consent forms will be made available on results day.

Note: The outcomes of the RoRs could lead to marks and subject grades going up, down, or remain unchanged.

Appeal processes are available after receiving the outcome of the review of results. Awarding bodies may charge a fee for appeals. This fee will be refunded if the appeal is upheld.

Certification

All candidates will be notified on the day to collect certificates. Certificates will have to be collected in person and signed for. A third party may collect certificate on behalf of a candidate provided the school has been notified by the candidate that they have given authorisation, and suitable identification can be provided.

The school retains certificates to **two years**, after which they are returned to the awarding body.
