

Homework and home learning is vital to ensure students are consolidating learning from lessons or preparing for future topics. In order to help you support your child succeed with their homework, we have created the table below with information on what homework they will be set by their teacher and some extra work for them to complete if they would like to. All homework will be set as an assignment on Microsoft Teams.

Subject	Frequency	How long should the homework take?	Home Learning Instructions and Information	If students would like to complete more work they can...
Art	Weekly	120 minutes	Completing aspects to the personal portfolio that are more accessible at home, such as annotation, book presentation, artist research and photography.	Ensure everything started in lesson is completed at home. Visit an exhibition at the weekend, and document it in the sketchbook. Ensure everything started in lesson is completed at home. Visit an exhibition at the weekend, and document it in the sketchbook.
