Dear GCSE PE Students and Families

Re: GCSE Physical Education – New Official Kit & Professional Expectations

I am writing to update you on an exciting development for our GCSE Physical Education pupils and to outline our expectations for the academic year ahead.

As a department, we hold high standards for our GCSE PE cohort. Representing this subject requires a strong sense of pride, dedication, and professionalism. Wearing uniform, high-quality kit not only fosters pride and unity within the cohort, but it also ensures our students project a polished, professional image during practical assessments and especially during external moderation, where first impressions and clear identification are key.

New Official GCSE PE Kit – Nike Branded

We are pleased to announce the launch of our new online club shop featuring **Nike-branded Mulberry PE kit**. To further enhance professionalism and assist moderation identification, students have the option to have their personal numbers printed on the back of their tops.

The kit follows:

Compulsory Item:

- **Nike Polo Shirt:** All GCSE PE students are required to have this item for their practical lessons and assessments. (If there are any financial concerns regarding the cost of the compulsory polo shirt, please reach out to the PE department in confidence so we can support you).

Optional Items:

- **1/4 Zip Top**
- **Shorts**
- **Tracksuit Bottoms**

Details on ordering and a direct link to the new online club shop will be distributed to students shortly.

We appreciate your continued support in upholding the highest standards for our GCSE PE students as they prepare for their practical and theoretical assessments. If you have any questions or concerns, please do not hesitate to contact the PE department.

Yours faithfully

Miss S Bal
Head of Physical Education
