We are delighted to invite all parents and carers of our Year 11 students to our Year 11 Parents' Information Evening on Monday 14th September, from 4:00pm to 5:00pm.

This important evening will provide parents and carers with an opportunity to find out more about the year ahead and how we will support our students as they prepare for their GCSE examinations and the next stage of their education.

During the evening, we will share important information about:

- The Year 11 curriculum and expectations for the year
- GCSE examinations, revision and preparation

Key dates and important deadlines

- Attendance, punctuality and the importance of maintaining high standards
- How parents and carers can support students with their learning and revision at home
- The support available to students throughout Year 11
- We strongly encourage all Year 11 parents and carers to attend this evening, as the information shared will help you to understand what to expect over the coming year and how you can best support your child.

We look forward to welcoming you and working together to make Year 11 a successful and positive year for all of our students.
