

Dear Parents and Carers,

Year 11 Mock Examinations – Week Beginning 2nd November

I am writing to remind you that our Year 11 mock examinations will take place during the week beginning **Monday 2nd November**. Please find the examination timetable enclosed for your information.

These mock examinations are an important part of the Year 11 experience. They provide students with an opportunity to experience the examination process, identify areas for improvement, and help both students and teachers prepare effectively for the summer examinations.

We would like to emphasise the importance of **attending every examination, just as students are expected to attend school every other day**. Students should arrive at school on time and be fully prepared for each examination. **Students will also be expected to wear full school uniform throughout the mock examination period.**

Please note that the school day will be **shortened during the mock examination week**. Students will be expected to arrive at school at **8.30am** each day, ready for their first examination. Depending on the examination timetable, students sitting two examinations will generally finish at approximately **1.30pm**. Students should check the enclosed timetable carefully for the specific arrangements for each day.

Where an examination is scheduled during the school day, students should continue to follow their normal school attendance expectations around the examination timetable.

Please support your child by helping them to prepare in advance, checking the enclosed timetable with them, and ensuring they have everything they need for each examination.

Thank you for your continued support in helping our Year 11 students make the most of these important assessments.

Yours sincerely,

Lucy Hunnisett
Deputy Principal
Mulberry Academy Shoreditch
